

SUS-TER "Dinamizador/a territorial" course - call for applications

A call for applications has been published for the allocation of 4 places for the participation in the second edition of the **SUS-TER "Dinamizador/a territorial" (Territorial Enhancer)** course. The SUS-TER course aims to train students with a new professional profile of "Dinamizador/a territorial" capable of facilitating and accompanying the processes of inclusive and sustainable territorial valorization of local rural resources and, in particular, of cultural heritage, origin products and agrobiodiversity.

The SUS-TER course is realized within the European project "SUS-TER - Networking Knowledge, Skills and Competencies for an Inclusive and Sustainable Territorial Valorization of Cultural Heritage, Origin products and Biodiversity". In addition to UNIFI, the course is attended by Universities of Colombia (Universidad de Caldas and Universidad del Quindío), Costa Rica (the National University of Costa Rica and the University of Costa Rica), Mexico (National Autonomous University of Mexico and Ibero-American University) and Spain (University of Barcelona).

The course will be in **Spanish** and will include a 14-day territorial laboratory in Mexico (compatibly with the evolution of the Covid-19 pandemic situation), the participation in which is at the expense of the project. The Course will last 350 hours, which correspond to 14 ECTS credits, from February to May 2021

It is possible to ask for the recognition of these credits to the competent body of the degree course to which the student belongs. The Course is also recognized by the University of Florence as an Advanced Training Course (**Corso di Perfezionamento**), therefore the corresponding Diploma will be issued to participants who enroll in and pass the final test (information here: <https://www.unifi.it/p11847.html#dinamizador>)

Eligibility requirements: be regularly enrolled for the academic year 2020/2021 to a Master's degree course or a Post-Graduate degree from the University of Florence and have adequate knowledge of the Spanish language. These students are required to submit their application by the deadline of **16th November 2020**.

The call is available [HERE](#).

Interested students are invited to attend a ZOOM meeting on 5th November from 9.00 am to 10.00 am; to participate send an email to giovanni.belletti@unifi.it
